

Great people are WANTED to sponsor a great Cause.

I will be participating in the "**WALK TO END DOMESTIC VIOLENCE**", which is a Maricopa County 5K sponsored race. Your sponsorship will help this worthy cause; here is your opportunity to participate without running, getting tired or sweaty.

The **1st annual "WALK TO END DOMESTIC VIOLENCE"** will be held on April 26 starting at the State Capital. I plan to run and accomplish this 5K run. As of today I have collected \$150.00 but would like to collect more for this worthy cause. This can only be possible with your pledge \$ per K.

I would like the Maricopa County Hispanic Network & it's members to sponsor me. I will come to your office to collect pledges/money on my own time not county time. Please call or email me for more information, you can also look for this announcement on the **EBC for March 19, 2003**.
